EXPERIENCE

THE PARLOR MAGAZINE

Founder & EIC · Director of Product Design

Aug 2025 — Present · Washington, DC

- Founded and direct The Parlor, overseeing editorial strategy and organizational growth.
- Directed end-to-end UX and brand design; developed cohesive design system for web and print.
- Designed and implemented website architecture ensuring accessibility and responsive design.
- Built and launched The Parlor Shop; managed fundraising and grant writing.

LMB.

Editorial Designer · Data Journalist · Civic Technologist

Mar 2024 — Present · United States

- Built interactive maps and data investigations covering immigration, labor, and accountability.
- Developed 133 Years of US Intervention — interactive timeline of US foreign regime changes.
- Created live choropleth map of immigration enforcement legislation across all 50 states.

TRAMA DI TERRE

Service Design & Community Research Coordinator

Sep 2018 — Jan 2024 · Italy

- Conducted interviews and needs assessments with hundreds of migrant women.
- Created trauma-informed multilingual outreach materials with psychologists and legal experts.
- Drafted service guidelines contributing to municipal policy change on migrant health access.

MONDODONNA ONLUS

Human Trafficking Case Manager — Progetto Oltre La Strada

Sep 2017 — Sep 2018 · Bologna, Italy

- Provided direct support to trafficking survivors through legal, social, and psychological systems.
- Developed individualized care plans with legal aid, law enforcement, and healthcare services.
- Supported clients through asylum procedures and Article 18 residency pathways.

EDUCATION

Product Design (UX/UI)

UX Design Institute

Full product design lifecycle: user research, ethnographic interviewing, affinity mapping, persona development, lo-fi and hi-fi prototyping in Figma, usability testing, heuristic evaluation, interaction design, information architecture, design systems (WCAG), and development handoff.

Master's — International Cooperation & Human Rights

University of Bologna — Alma Mater Studiorum · Bologna, Italy

Thesis: structural barriers to public health service access among migrant women in Italy. Methodology: semi-structured interviews, intersectional needs assessment frameworks, and comparative policy analysis. Situated within feminist political economy and postcolonial public health literature.

Bachelor's — Cultural Anthropology & Applied Linguistics

Universidad de Puerto Rico · Puerto Rico

Specialization in phonetic transcription and variationist sociolinguistics. Field research on Puerto Rican dialectology through acoustic analysis and corpus documentation. Research collaborator on the Tesoro Lexicografico de Puerto Rico — longitudinal lexicographic corpus documenting morphological, phonological, and semantic particularities of Puerto Rican Spanish.

CERTIFICATIONS
